Dining Arrangements in Ladies' Club House

Meals will be served in the Ladies' Club House, at the regular hours, excepting Luncheon on certain days, at the discretion of the House Committee.

On *Thursday* (Ladies' Day) Members cannot entertain at meals in the Ladies' Club House, it being reserved on this day for the exclusive use of Lady Associate Members and their friends.

No Lady Associate Member can give a dinner party on *Thursday* for more than four persons without special permission to be obtained not later than one day in advance, from the Ladies' Committee and the House Committee.

Members and Lady Associate Members entertaining friends are requested to notify the Housekeeper in good time, especially on *Thursday*, to ensure efficient service. If entertaining at dinner, notice to that effect should be given not later than 12 o'clock on the day the dinner is required. The Club cannot undertake to provide dinner for more than sixteen persons in the Ladies' Club House.

General Information

Strangers cannot be entertained at meals, either in the Club House or Ladies' Club, unless accompanied by a Member.

The servants are not allowed to serve provisions, brought into the House by Members without special permission. Members will be required to sign tickets for all items supplied. Cash payments cannot be accepted. Members accounts will be mailed to them at the beginning of each month on payment of which a receipt will be given and the signed tickets returned.

A Book will be kept in the Club House for the benefit of Members desiring to make suggestions or complaints, and it is hoped that its use will prevent such being made to individual Members of the Committees.

The attention of Members is called to Rule 12 (CLUB RULES), requiring the names of all guests introduced to the Club House, to be registered in the Visitors' Book.
